

Dear Sir,

Pursuing Financial Aid for Destitute & Poor

- First & foremost, the worthy **members of HWA** are obliged to you for your financial aid that enabled us to commence varied welfare regimes in **2021** which includes “ **Roza Kushai** ” on daily basis for **150 to 200** needy people through Ramadan Dastar Khwan Program, Ration Bags distribution program among approximately **1000** needy families of respective area & distribution of sacrificial meat among **2000** widows and needy on the occasion of Eid-ul-Adha. These welfare projects continued in year **2021, 2022, 2023, 2024** for the well-being of people & many people have benefitted themselves from these programs.
- In year **2025**, the program of providing deluxe meal to nearly **200** needy & poor people is also continued under “**Ramadan Dastar Khwan Program**”. But the task of Ration Bags distribution is delaying due to shortage of funds and the needy public is waiting for this aid.
- HWA is wishful for helping these needy populaces in some way. But considering monetary issues, **500 needy families instead of 1000**, should be provided with Ration Bags so that their worries could be alleviated and their needs for the month of Ramadan could be fulfilled.

Ramadan Ration Bags Project Cost 2025

Description	PKR	USD
Per Pack (Family) Cost	7000	25.00/- \$

- All the members of HWA pray for your long, healthy & prosper life.

Insha Allah.

Best Regards,
